CATHOLICS COME HOME

Catholics Come Home is an independent, non-profit Catholic apostolate that creates effective and compassionate media messages, which are broadcasted nationally and internationally. These messages are to inspire, educate and evangelize inactive Catholics and others, and invite them to live a deeper faith in Jesus Christ, in accord with the Magisterium of the Roman Catholic Church.

Tom Peterson, President and Founder of Catholics Come Home, will be our guest speaker for this event. After receiving an incredible and transforming Spiritual conversion in 1997 at a men's retreat from his church, Tom's life changed forever. Soon afterwards he founded VirtueMedia.org and CatholicsComeHome.org, dedicated to Catholic evangelization.

In the past decade, Tom has presented to the United States and Australian Conference of Catholic Bishops, and at Pontifical Councils of the Vatican. He and his apostolates have been featured regularly on secular and Catholic radio, newspapers, magazines and appearances on Fox News and EWTN.

In Feb 2009 he was also honored at the Bermuda Summit, as the recipient of the Legatus "Special Evangelization Award" and in 2010 joined the Legatus International board of Governors. Catholics Come Home also received the 2009 National Leadership Roundtable Award for Best Practices at the Wharton Business School in June.

Please do join us for our February breakfast. Once you hear Tom Peterson's talk, you will be eager to go out and share your Catholic Faith. Please take a moment to view the moving 1-2 minute videos on the home page of their website on www.catholicscomehome.com
